January 2010

Dear Friends,

We want to thank you for your support of the ministry this past year. Your sacrificial offerings have had a significant impact for the kingdom of God as we have continued preaching the Word of God and establishing new churches.

Missionaries are called to many different types of ministry. We continue to stay true to our calling of church planting, pastoral training and soul winning through crusade evangelism. We believe that these three callings work together to develop a strong church and a growing body.

Over the past twenty years, our ministry has produced more than one thousand churches in the former Soviet Union, with hundreds of additional churches in Africa and Eastern Europe. This amounts to more than one new church each week for the years we have been on the field. Millions of people have accepted Jesus as their Savior through crusade evangelism and the new churches that have been started. The churches have well trained pastors and leaders who know how to evangelize and how to conserve the harvest.

One of the greatest opportunities in the world today is in the Islamic countries of North Africa. We are concentrating much of our ministry in these difficult, but fruitful, areas. We are holding outdoor crusade evangelism, preaching on Islamic television and radio, and starting churches with hundreds of new converts, all in Islamic countries.

Please continue to pray for our safety and for the resources necessary to carry the gospel into the *regions beyond*.

In Christ,

Bruce & Becky

## Where is Bruce?

Outdoor crusade evangelism, pastor's conferences and the establishment of new churches is scheduled for several locations during the first three months of 2010.

**THE REGIONS BEYOND. . . Goma, DR Congo . . .** Pastor Robert Mango's baby was born with spina bifida, complicated by severe hydrocephalus (cerebrospinal fluid or "water on the brain"). We have provided the money for the baby to have surgery in Kigali, Rwanda to help his condition. Please pray for the Mango family and their baby boy. **Prayer Request . . .** Bruce will be in Ethiopia during January and February where he will conduct several pastors conferences and outdoor evangelism services. Following this, he will travel to the wild and remote tribal area along the border of Sudan for ministry among primitive tribes where new churches are being started. Please keep Bruce in your prayers as this trip is both long and arduous.
